## About Us

East Brentwood Children's Academy has been in operation since 1999. We have been awarded 3 Stars (highest rating available) by the State of Tennessee for excellence in childcare every year since our program began.

At EBCA your child will have the opportunity to participate in Art Education, Music, Spanish, Chapel, Learning Centers, Physical Activity, Sensory Play and Free Play. We pride ourselves in having a nurturing and educational environment where children learn, make friends, and have fun.

EBCA is a Tree Nut/Peanut Free school.

*The Church supports and practices equality for all individuals without regard to race, color, national origin, religion, gender/sexual orientation, age, disability, genetic information, pregnancy, or any other characteristic protected by law and the requirements for employment and for membership in the Presbyterian Church (U.S.A.). We operationalize this in our employment policies and in our open, welcoming approach to Church membership and recruitment and admission of students to East Brentwood Children's Academy.*
